if we chose to, develop something even more strict than what is in the constitutional amendment. I think Senator Kristensen has a good idea here. I support the Chambers amendment, and I will be supporting the Kristensen amendment, and I will be supporting LR 15CA. With that, thank you very much for listening to me.

PRESIDENT ROBAK: Thank you, Senator Withem. While the Legislature is in session and capable of transacting business, I propose to sign and do hereby sign LB 694, LB 694A, LB 1066, LB 1224, LB 1224A, LB 513, LB 513A, LB 72, LB 885A, LB 901, LB 1022, LR 277CA, LB 1241, LB 1349, LB 1349A, LB 1354, LB 1175, LR 29CA, LB 886, LB 886A, LB 1118, LB 1034, LB 1034A, LB 1061, and LR 349, and LR 337. With that said, Senator Cudaback, your light is next.

SENATOR CUDABACK: Madam President, members, I was fortunate enough today to have sixteen students from Pleasanton come down this morning to visit the Capitol. I had them up here in the south balcony, and unfortunately we was...it was time of Final Reading. And I was explaining what went on in Final Reading and why all the mumbling and so on, and explained it to one student, and I asked for questions. At that time this young lady, up in the front row, said, well can't you come up with something better than this? It just kind of struck home when a twelfth grader said, can't you come up with something better than this? And I think we can come up with something better than this. This was made back years, and years ago, perhaps when the body could not read maybe, nor write, I don't know, but it was for that period of time. And I'm sure that period of time is gone now. So I think we can come up with something better than this. I'm not sure if I want staff writing it. I'm not sure if I want...on LB 76 whether I want Senator Schimek writing the summary, or want Senator Witek writing the summary, you might have two different opinions there. I'm not...you know, I don't know, I'm just stating that fact. But somebody probably, if we write a summary, should be an unbiased summary. I'm sure some day Senator Kristensen's grandchildren are going to walk up to him and say, you mean, Grandpa, you mean they used to really read that whole bill before signing it? I think that time will come. So, with that, I'll close. Thank you.

PRESIDENT ROBAK: Thank you, Senator Cudaback. Senator Kristensen.

SENATOR KRISTENSEN: Thank you, Madam President, members of the
